All figure caption sample names need to be corrected. In place of $(\text{Mn}_{0.83}\text{Ge}_{0.17})_{3.25}\text{Ge}$ and $(\text{Mn}_{0.8}\text{Ge}_{0.2})_{3.25}\text{Ge}$, it should be $(\text{Mn}_{0.83}\text{Fe}_{0.17})_{3.25}\text{Ge}$ and $(\text{Mn}_{0.8}\text{Fe}_{0.2})_{3.25}\text{Ge}$ respectively. The results and conclusions of the article are not affected by these corrections.
